Editor's Corner

Hello. The Country Report requirements are included. Choose

information that is written on a 3rd or 4th grade reading level.

We continue to work on multiplication in math and are taking tests. It is important to practice multiplication at home. We practice everyday in class and in the computer lab as well. Please help them with this.

This THURSDAY, January 16, is the last day to turn in any late/missing/absent work. I will be sending home notices if something is missing. Getting everything in makes a difference on grades. Blessings, Mrs. McCune

Special Assignments

Country Report information and Rough Draft Folder have been sent home today. Most students will find 1 book in our library this week. These books are approved. If they do not get a book on their country from our library, the books you chose need to be approved by the teacher.

You'll need 2 different books for the report.
